### How do I schedule a tour?

To schedule a tour, please [click here](#) or contact Amatterra at 503-961-6057 or send an email to [events@amatterrawines.com](mailto:events@amatterrawines.com).

### How many weddings per day do you host?

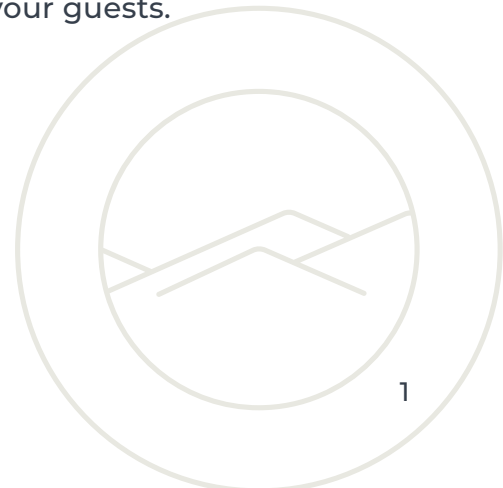

Amatterra welcomes a limited number of weddings each year, hosting only one per day. On your wedding day, you will have exclusive use of the Gallery room and Barrel Room for separate getting ready spaces, the outside Terrace for your ceremony, and the Skyline Ballroom with adjacent deck for dinner and dancing.

### How long do we have the space?

The venue fee includes up to seven hours of event time. Setup time will be based upon the complexity of the decor needs. Breakdown must be done in the hour after your contracted event concludes. Additional time can be arranged. A typical wedding at Amatterra begins at 4 PM for the ceremony, and you can party until 11 PM. Seven hours of event time total.

### May we get ready on-site?

We have private getting-ready rooms for the couple located on separate levels of the building. Our regular site rental contract allows couples and their principal wedding party participants to arrive before their wedding guests. This provides time for final dressing, photos, first look if desired, and ample time for family photos before your guests arrive, which allows for more time to celebrate with your guests.
