

AMATERRA

2019 PINOT NOIR

GUADALUPE VINEYARD

DUNDEE HILLS AVA

WILLAMETTE VALLEY, OREGON

Guadalupe Vineyard is in the Dundee Hills AVA, however, it has transitional soils such that most of the vines are in ancient marine sediment. The bright red fruit profile of this wine is framed with a pleasant spiciness from the 20% whole clusters in the fermentation. This Pommard-clone Pinot Noir is elegant in style and begs for a classic pairing with Pacific Northwest Salmon.
