2020 CHARDONNAY

WOLF HILL VINEYARD

EOLA-AMITY HILLS AVA

WILLAMETTE VALLEY, OREGON

Old vines located on the southern end of the Eola-Amity Hills AVA with wide-spaced rows recalls another era of Oregon viticulture. This spacing allows a cooling coastal breeze to flow through the vineyard for a long growing season. Whole-cluster pressed and barrel fermented, it is an excellent example of a balanced style of Chardonnay. The natural acidity and minerality lead to a long finish.

TASTING NOTES - JANUARY 2023

Aromas of pineapple, lemon rind, chive, and white peach. Flavors of wet stones, key lime, starfruit, and graham cracker on the palate.
