2020 PINOT NOIR

WILLAMETTE VALLEY, OREGON

A classic Oregon Pinot Noir. This cuvée is a combination of both estate-grown fruit and thoughtfully selected vineyard blocks from partner vineyards. An intentional range of soils, aspects, and clones of Pinot Noir contribute to a balance that only an artful combination of sites can create. Aromas of cranberry, cassis, and woody herbs carry through to the palate, where they are wrapped in flavors of oak. This is a rich, soft Pinot Noir intended to be enjoyed at a lively meal and shared with your favorite people.
