

51 WEEKS WINEMAKING 2021 PINOT GRIS

DUNDEE HILLS AVA
WILLAMETTE VALLEY

Pinot Gris is the unofficial “official” white wine variety of the Willamette Valley. A variant of Pinot Noir, these grapes mature to a beautiful medium-purple color with a definitive gris (or gray) tone. The cool nights during the long growing season on Willamette Valley hillsides results in a wine with beautiful tree fruit and floral aromatics with intriguing minerality on the palate. The 51Weeks Winemaking style of Pinot Gris is whole-cluster pressed, fermented in small stainless steel vessels, and aged sur lie. These techniques emphasize the varietal aromatics for a wine that pairs exceptionally well with shellfish or a range of local cheeses.

VINEYARD INFORMATION:

- Soil: ancient marine sedimentary
- Elevation: 370 ft.
- Guadalupe Vineyard planted in 1996
- Hand harvested on September 23, 2021

WINEMAKING INFORMATION:

- Whole cluster pressed
- Non-oxidative juice handling
- Fermented and aged sur lie in stainless steel

pH: 3.73

TA: 4.2 g/L

Alcohol: 13.1%
